

What is the Connect Cheer Association (CCA)?

We are an all-volunteer non-profit organization (501(c)) that supports Connect Cheer NW (CCNW). We are a separate entity from CCNW. Our goal is to promote and sponsor CCNW. We raise money through membership, fundraising projects, sponsorships and special events. These funds go back to the athletes in the form of social gatherings, national sendoff gifts and end of year gala/awards.

What are the dues and what do they cover?

- **Elite teams:** \$75 per athlete. These dues cover the cost associated with group events throughout the year, national giveaways and each athlete’s cost for the end of year gala.
- **Prep teams:** \$45 per athlete. These dues cover the cost associated with the prep program only end of year gala and awards.
- **Fundraising opt out fee:** \$100

What types of fundraising does CCA offer?

The CCA plans to offer several different fundraising opportunities this season. We look for both selling and non-selling fundraisers (corporate sponsorship or match programs)! Have an idea – let us know! But keep an eye out for great fundraisers through the year.

Interested in helping? We need help with board positions, fundraising, event planning, send off gift creation etc. Please let us know!

How do I contact the CCA?

Please email: connectcheerassoc@gmail.com

Thank you!
The 2023-2024 CCA Board

CCA Member Application (one per athlete)
